Once your logo is designed it will be sent to you via email or CD-ROM and you will become the sole owner of the logo. You are free to copyright your logo. The final logo design will be supplied to you in several file formats (depending on the logo package you selected) suitable for web or print use. Logos created by Thiessen Design Studio are perfect for business cards, stationery, web site, banners, signage, vehicles and t-shirts or any other idea you might have.

Thiessen Design Studio can also produce your logo in any of the above mentioned items. Give us a call and receive a free custom quote to have your company business cards, stationery, vehicle graphics, signage, or any other idea you have produced and shipped right to your door.
